School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

iQ Academy California believes that, given a comprehensive and mastery-based curriculum, high expectations, access to technology, strong instructional support, a significant amount of off-line work, guidance from experienced teachers, and a strong commitment from parents or other caring adults, a well-conceived virtual education program will boost student achievement, serve the unique needs of students and families, and offer a new model for effective public education in the 21st century.

The School Theme is HATS Off to Learning! Habits, Attitude, Teamwork, Success. This theme encapsulates iQ Academy's Schoolwide Learner Outcomes. iQ Academy strives to support student growth as life-long learners and responsible global citizens.

iQ Students are:

Self-motivated, competent, life-long learners who are critical thinkers, problem solvers and responsible citizens.

Positive, resilient, self-reflective, respectful, motivated, creative thinkers who can tackle challenges, take risks and advocate for themselves.

Able to collaborate effectively towards a common goal in a team setting, demonstrating the ability to value peer points of view, contributions, and feedback.

Independent, college and career-ready, life-long learners and leaders with the ability to set and achieve goals, continuously improve, and communicate effectively.

Our Mission Statement

The mission of iQ Academy California-Los Angeles is to provide an individualized standards-based education to students throughout the counties of Los Angeles, San Bernardino, Kern, Orange, Ventura. iQ Academy will provide students with an excellent education, grounded in high academic standards, which will help them to achieve their full academic and social potential.

Believing that all students deserve access to an education which prepares them for a successful future, iQ Academy, California - Los Angeles provides high quality, technology-enabled learning programs and innovative teaching methods to students. iQ Academy California - Los Angeles's online learning instructional model engages 21st century learning skills in order to create self-motivated, competent, globally connected, life-long learners who participate effectively in society. Students achieve their individual potential through innovative, flexible, socially connected, and student-focused education.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19

Mathematics (grades 3-8 and 11)	20	14	39	40	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parents are an extremely important part of iQ Academy California- Los Angeles. Parents will help us to evaluate the school's program each year through meetings and surveys. When surveyed each year, iQ Academy parents state that they are more involved in their child's education than at their previous school. Some parents will also serve as mentors to new families and families that are struggling with technology complications or curriculum problems. The mentors are also supportive and encouraging with the aspects of day to day home education management. Parents will be given an opportunity to make their voices heard (both on-line and off-line) about their likes and dislikes about the school. Some parents will be asked to give critiques and/or testimonials about the program.

Direct parental involvement is fundamental to the school's success.

Parents are involved from the start of the school year by researching our program and choosing to enroll in our program. Parents attend a registration conference and agree to the enrollment requirements. These show they are committed to being an active member of the education team for their student in our program.

Parental involvement is enhanced by the fact that the school will be educating not only students but also its parents as well. Parents will be trained on the K12 instructional system. Parents will be taught how to be effective instructional coaches, under the guidance of qualified and credentialed teachers. Many parents will learn how to use computers for the first time, become expert e-mail and Internet users and will be exposed to a content-rich curriculum, including classic literature, a comprehensive re-telling of the story of history, various musical genres, and great works of art. Parents will have a rich social networking experience with the schools Facebook site. We have many resources available both online and offline. There are ongoing Parent/Learning Coach training opportunities through K12 Speaker Series, Online School tutorials, School Effectively at Home workshops and staff presented Learning Coach workshops. We have a very detailed Parent Student handbook, Special Education handbook and iQ New Parent Resource Guide. We have a Parent Mentor program to provide the ultimate one on one experience for Learning Coaches who would like a mentor to support them in their journey.

iQ Academy has an established Family Academic Support Team where additional assistance and engagement can be targeted through teacher referrals to provide families with ongoing support for technical literacy, organization, and one on one weekly academic assistance from trained support personal.

Parents are actively encouraged to participate in iQ planning, organizational, Board of Directors, and other meetings. They are also encouraged to offer ideas and planning assistance with field trips, social events, and other outings. We have parent representatives on the iQ school board and the School Site Council.

Parent involvement begins prior to the start of school with informational sessions geared toward supporting the learning coach as they begin to navigate the online systems and school community. iQ recently began using parent square as an additional tool to improve outreach on all our existing parent outreach initiatives, including; Welcome and enduring connection calls, parent-teacher conferences, surveys and parent sessions are provided at various points throughout the year.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2015-16	School 2016-17	School 2017-18	District 2015-16	District 2016-17	District 2017-18	State 2015-16	State 2016-17	State 2017-18

School Safety Plan (School Year 2019-20)

iQ takes staff and student health and safety very seriously. Because iQCALA is a virtual school, there is no need for a school building where classes are held on a daily basis. The administrative office currently complies with all ADA, OSHA, and local health and safety requirements. The school has obtained all necessary permits for these offices including a building and fire marshal inspection and/or a certificate of occupancy.

Immunization forms and other pertinent medical records will be kept (confidentially) on file by the school administration. Parents are expected to ensure that their children obtain proper immunizations prior to matriculating pursuant to Chapter 1 (commencing with §120325) of Part 2 of Division 105 of the Health and Safety Code. The school may exempt students from enrolling who are not properly immunized pursuant to §48216 (a-c) of the Education Code. Those parents who are having difficulty obtaining immunizations for their children will be provided information on where to get immunized in their community.

All pertinent and required health and safety documentation is collected at time of hire or enrollment as appropriate. Documentation is on file in the student’s records or employee records held in security at the Simi Valley, CA office. Copies of employee records and student records can be made available at the request of the School District.

The school has drafted health and safety procedures that the school will follow to ensure the health and safety of pupils shall which include compliance with the criminal background check requirements described in Sections 44237 and 45125.1 of the Education Code.

Number of school days dedicated to Staff Development and Continuous Improvement			

iQ Academy California - Los Angeles provides research-based professional development in the virtual and in-person setting for all staff members that is research-based. A needs assessment survey is administered in the spring of each year to determine themes and topics that are to be developed into learning opportunities. All staff are encouraged to volunteer to lead PD as resident experts.

As a community of learners, it is vital to tap into the interest and expertise of the team so that the entire staff can acquire new ideas and materials, and develop teaching, organization, and management skills. PD has been provided on best practices for instruction, communication and engagement among other topics.

Annually and prior to working with students, staff members participate in trainings and PD focused on privacy policies, the curriculum, instruction, engagement, communication and special programs. Specific training needs are delivered at All Staff Professional development on a monthly basis. There are additional training opportunities available on a weekly basis to staff. Teachers are also encouraged to research and attend workshops they feel will be beneficial to the enhancement of their practice.

Instructional Coaching is an important part of iQ Academy's professional development plan. English and Math teachers receive 1:1 instructional coaching from a content expert. All other staff members participate in instructional coaching Professional Learning Communities where strategies, best practices and common "problems of practice" are discussed in a collaborative consultancy format.
